EXPERIENCE

Mukul provides urban planning and design expertise for a variety of projects including comprehensive plans, township master plans, transit oriented development, and redevelopment of brown field sites. Through his previous work at **Ajoy Choudhury Associates, Urban Design Associates (UDA), Goody Clancy Associates, and Sasaki Associates**, he brings more than sixteen years of experience in architecture, master planning, urban design guidelines, and design workshop/charrette facilitation. He is also a visiting faculty of Masters of Urban Design Program at the Sushant School of Art and Architecture, Gurgaon.

Some of his prominent projects include:

City plaza, Jaipur - Multi-use Family Entertainment Center (at Ajoy Choudhary Architects, Delhi)
Podar park, Jaipur - H.I.G. multistory housing development (at Ajoy Choudhary Architects, Delhi)
West Don Lands Precinct Plan, Toronto, Canada - Development plan for 90-acre waterfront site (at Urban Design Associates, Pittsburg)
Hazelwood Mixed Use Master Plan, Pittsburgh, USA - for 178 acres of prime riverfront land (at Urban Design Associates, Pittsburg)
New Community Masterplan, Baton Rouge, USA - planning for 2800 acres greenfield site (at Sasaki Associates, Boston)
