## EXPERIENCE

Sumit provides design expertise on a range of projects in architecture, urban design and interiors. Some of the Projects undertaken by him at **Penoyre & Prasad Architects** (London), **The Design Workshop** (Gurgaon), **Matra Architects** (Delhi), included education, healthcare, housing and commercial developments along with master planning. In India, he has worked on numerous office & residential buildings and several retail outlets. Sumit's passion to not only design but also to undertake on-site construction comes from his keen interest in construction technology and to achieve the perfect possible design quality, hence pursuing his philosophy of 'designing for people'.

Some of his prominent projects include:

**Hollywood Arches Community Treatment & Care Centre**, Belfast, UK (at Penoyre & Prasad Architects, London)

**Gravesend Masterplan**, Gravesend, North Kent, UK (at Penoyre & Prasad Architects, London)

**The Rich Mix Centre**, London, UK (at Penoyre & Prasad Architects, London)

**New North Lambeth School**, London, UK (at Penoyre & Prasad Architects, London)

**Bishops Park College**, London, UK (Competition) (at Penoyre & Prasad Architects, London)

**Private Farmhouses**, Gurgaon and New Delhi (Principal Architect)

**Gujrat International Finance Tech City** - Schematic Architectural design for Mixed Use and Hotel Blocks (Principal Architect)

**Gujrat International Finance Tech City** - Schematic Architectural design for Senior Secondary School (Principal Architect)

**Office Building**, Noida, UP (Principal Architect)

**Urban Apartments in Vasant Vihar**, New Delhi (Principal Architect)

**Hapur Polytech Institute**, Hapur (Principal Architect)

**NIIT Dining Hall Extension**, Neemrana (Principal Architect)

**High Rise Apartments and Master Planning for Godrej Housing**, Gurgaon (Principal Architect)
