EXPERIENCE

Aditi has worked on a variety of projects that range from residential architecture to urban design and regeneration. Her experience at **The Design Workshop (Gurgaon), Jeff Kahane and Associates (London), and Moti Bahri Architects (Delhi)**, facilitates her contribution in design, detailed construction drawings and project economics. Aditi undertakes complete management of all projects with respect to preparing Material Specifications, Bill of Quantities and various related contracts. Her project co-ordination skills ensure quality control and effective execution of projects on site.

Some of her prominent projects include:

House at Pilgrim's Lane, Hampstead, London (at Jeff Kahane and Associates London)

Kiplings Restaurant, Hampstead, London (at Jeff Kahane and Associates London)

Flats at Drury Lane, London (at Jeff Kahane and Associates London)

Regeneration of North End Road Street Market, London (at Jeff Kahane and Associates London)

Liberty Showroom, Jaipur, India (Principal Architect)

Private Residences and Farmhouses, Gurgaon, India (Principal Architect)

Showroom Interiors, Gurgaon and Delhi, India (Principal Architect)
